

The Silent Gardener@home™

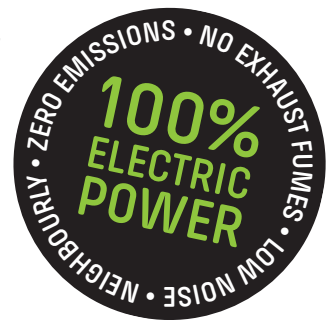

Sustainable Residential Grounds Maintenance

Award-winning grounds maintenance for homeowners in New Westminster and Vancouver's West Side. Our 100% Electric landscaping is fast, efficient and refreshingly peaceful.

Your yard and gardens will be visited weekly by your dedicated and educated horticulturist and treated with care and experience. Whether you're looking for natural garden maintenance or fully manicured grounds, The Silent Gardener@Home™ works with your preferences to a yearly budget.

- Garden Design
- Weekly mowing and edging.
- Weeding
- As-needed pruning of shrubs and trees under 16 feet.
- Hedging
- Lawn aeration and organic lawn fertilizer.

Take your yard, gardens or estate to the next sustainable level with low-noise 100% electric care.
